SEASIDE HEIGHTS

Back to School Activity Hums As Kids Get Set for Monday

By SUE BURK ET 5-4519

Hello again folks. Thanks for letting me come into your home for a few moments this week. Everything seems to be pretty quiet around the whole neighborhood this week. Guess everyone is waiting for the big day—Yep! school starts again Monday.

Are you ready? I'm not, have you? Busy days yes, but happy days too, for all the mothers who have had to listen to Drag-Mutt, Wild Bill Whodone-it, and etc. all summer. That's the facts, ma'm; you figure it.

Happy to let you know that Rocky Fannick of Zakon Road is again home after undergoing major surgery in Childrens Hospital in Los Angeles. Rocky is feeling much better now, and Mother Juanita, tells me that he may have a few visitors, and any cards are welcome. Rocky has had a rough time of it, so if you send a card to him address it: "Rocky," 5232 Zakon Rd.; all cards will be greatly appreciated.

We hope Rocky is well enough to attend his regular classes at school next Monday, so best of luck to a brave little guy.

We have the word that Leonard and Mrs. Milsom of Bindewald Road, Carolee Hayes sister to Craig, is now spending her vacation with grandma and grandpa Milsom. Happy vacation days to two swell kids.

The Filgiano family of Bindewald Road spent the Labor Day week-end at their cabin up in the hills. Big Bear to be exact. Joan tells me they enjoyed a lovely time and that there was just gobs and gobs of folks there for the holiday week-end.

Mr. Preston Nix has recently returned from Oakland where he participated in a two week cruise and instructions with the Naval Air Reserve. Mrs. Nix and children, Richard and Nancy, were in Oakland last week so that they could drive on his way toward Japan on the USS Toledo by the time you are reading this. God keep you

reserve services so proudly and seriously.

The Seaside Hi-Lighters now have seven large boxes of clothing for the Arizona Indians. The club took over this project almost at the birth of the Hi-Lighters. If anyone knows who the Navajo agent for this territory happens to be, or how to send the boxes, please contact Mrs. Milsom, secretary of the club, by calling FRontier 54447.

Visiting in the home of Mr. and Mrs. Frank Callahan for the Labor Day weekend were Mr. and Mrs. Jack Flasher and children of Los Angeles. We hear that deep sea fishing really paid off for Frank Callahan who came home with tremendous catch.

Someone told me that Urbachs have a new car now—a baby Nash. Only it seems that it is such a doll-like thing that Mr. Urbach is afraid to drive it. Bet you are both very proud and happy too, huh kids?

Recently held in the home of Mr. and Mrs. Preston Nix of Zakon Rd., a glittering party. Yes, I said glittering because Myrtis served assorted cookies and coffee to her jewelry party guests. Guests included Mrs. Edward Torne, Mrs. Peter Lake, Mrs. Art Watson, Mrs. Ross Leonard, Mrs. James Clark, Mrs. Joan McLaughlin and daughter Barbara, Mrs. Richard Grierson, Mrs. B. Frank Renz, Mrs. Pete Carens, Colleen Watson, and hostess, Mrs. Nix.

A farewell party was held in the home of Mr. and Mrs. Frank Callahan of Bindewald Road for Wally and Mary Sokolowski who have bought a home in Gardena. Present to bid farewell and best wishes were Mrs. Charles Urbach, Mrs. Robert L. George, Mrs. Freddy Filgiano, Mrs. James Taylor, Mrs. G. H. Price, Mrs. Frank Dwyer, the guest of honor, Mary Sokolowski, and the hostess Mrs. Frank Callahan.

Many games were played, one which gave an amazing new twist to charades. The girls guessed as to what kind of neighbors Mary would have in her new community, and acted the parts; Mary had to act as to what sort of neighbor she thought she was here and would be there. Guests enjoyed dainty desserts and coffee while Mary opened gifts which included a hand crocheted purse, two matching vases, ceramics, hankies, etc. We loudly yell our best wishes to Wally and Mary in their new home; they have been excellent friends and neighbors while they lived in our community.

Craig "Corky" Hayes Jr. of Beverly Hills; grandson of Mr. and Mrs. Milsom of Bindewald Rd., has been named the All-American Boy in his age group (sponsored by the Childrens Screen Guild) at a recent election of hundreds of participants at the Hollywood Bowl. I know that Mr. and Mrs. Milsom are proud for Mrs. Milsom was very excited and happy when she called me. Corky has to be some boy to earn a title like that.

Mr. Roland "Buz" White who last year taught at Seaside Elementary has been transferred to the new Montevue School. Well, let us warn the kids over there. You will really like Mr. White, children, for he is a teacher who is all for the kids and their interests. Best wishes to you Buz at your desk.
